**APD to participate in 2<sup>nd</sup> Annual Night without Crime on Rundberg Lane**

On Saturday, October 4, 2008 the Austin Police Department and the North Austin Coalition of Neighborhoods (NACN) will partner together to take a stand against crime in the Second Annual Night Without Crime on Rundberg Ln.

**Night Without Crime on Rundberg Ln.  
Saturday, October 4, 2008  
6 p.m. to 9 p.m.  
804 East Rundberg Lane  
(vacant lot near North Creek and Rundberg Ln)  
Austin, Texas**

NACN is comprised of 8 of the largest and most active associations in the North Central Area Command and has recognized that Rundberg is the gateway into our community. Unfortunately, it is a source of violent crime, prostitution, and drug activity. While police are very active in this area, making numerous arrests and networking with the community, Rundberg continues to be a dangerous place.

On this day more than 500 community members will join in a march down Rundberg between IH 35 and Lamar to demonstrate that they will no longer tolerate crime and the devastating effect it is having on their quality of life. They are pledging walkers from all of the associations, several churches, schools, and local businesses to support and encourage the Police and Code Enforcement in their attempts to combat crime and urban decay in the community.

Speeches and presentations will be given prior to the walk. Information booths, barbeque, beverages, and music will be provided at the end of the walk.
